

Want to shape a University leading the charge for better?

At UWE Bristol we are proud to be one of the UK's leading universities – located in one of the UK's most exciting cities. We are driving change in the way we learn, analyse and contribute to the world we live in.

Through our education, research, and enterprise, we are powering the future workforce, boosting the economy, improving the health and sustainability of our communities, and creating solutions to global challenges. And, most importantly, we are transforming futures and empowering people of all ages and backgrounds to achieve their potential.

We are ambitious about enhancing, embracing, and promoting diversity – in our communities, our people, our learning, research, innovation and enterprise. Inclusivity and the experiences we create for our students, staff and partners sits at the heart of everything we do.

Want to shape the outcomes of future generations and build a better future?

If you are someone who shares our passion for the potential of higher education and research and can help us strengthen our connections with regional communities and employers, we want to hear from you.

At present, we are looking to recruit 2 x Independent Governors to our existing Board:

- ◆ **1 x Governor with HR Leadership and People Development Experience**
- ◆ **1 x Governor with Emerging Industries experience (E.g. Tech, Innovation, Creative, Digital, PR, Communications, Environment)**

We are driven by a shared belief in making a positive difference in all we do and are looking for individuals who share our passion, whatever their background. As a world class university, we are passionate about diversity of thought, skills, and experience because we believe that leads to a stronger University. Therefore, we positively encourage and particularly welcome applications from groups that are under-represented within the Boardroom. This includes but is not restricted to People of Colour, LGBTQ+, Disabled and any other groups facing disadvantage or discrimination.

Note that due to current Covid-19 restrictions, our board meetings are a mix of virtual and in person meetings. It's anticipated that the successful candidates will commit to attending our meetings as well as from time to time representing us at relevant events and launches.

And whilst members of the Board of Governors are not remunerated, being a Board Member provides a real opportunity to be instrumental in the academic success of our next generation of students. You will have a key role in shaping the future of one of the region's most significant institutions – leading the charge for better across our communities.

How to Apply

Interested applicants should send an up-to-date CV and covering letter (no more than 1-page A4) that answers the following question:

Q: At UWE, inclusivity and the student experience sit at the heart of everything that we do. How will you use your expertise, experience, and networks to further our ambition to shape the outcomes of future generations and build better futures?

Please send your CV and cover letter to info@beonboard.co.uk by 5pm, Sunday 31st October.

Short-listed candidates must be available to be interviewed early November. All interviews will be conducted virtually.

We welcome questions. If you'd like to have an informal chat about this role, please contact julz.davis@beonboard.co.uk to arrange a time.

Help shape university done right.
