

Learning Partnership West - Non-Executive Director

Learning Partnership West (LPW) exists to inspire future aspiration and ensure that no child or young person is left without help.

Through play work, youth work and the provision of alternative education our relentless care and personalised approaches are underpinned by trauma-recovery.

We are a Community Interest Company and we work across Bristol, South Gloucestershire, B&NES, North Somerset and Wiltshire. We work with children and young people aged between 6 and 25, identifying where the gaps in support exist. We work collaboratively with children, young people, families, professional agencies, Local Authorities, Schools, Voluntary Sector Organisations and charitable trusts/foundations to ensure that we meet the needs of our communities' most vulnerable children and young people.

Building on the strengths, abilities and talents of children and young people, our specialist team ensures that no child or young person is left without help, and that children and young people are encouraged and supported to develop their own resilience, skills to overcome any barriers that prevent them from engaging with their education, their families and in their community.

The support we provide is tailored to each and every child or young person we work with, and is designed to improve relationships at home, in the community and in school settings. Our work with children and young people school settings help to increase attendance, contributes to progress and attainment.

About the Role

We are looking for people with skills and experience in Business, Corporate and/or an understanding of communities and Community Organisations to join our board. As a non-executive director at LPW, your role will be to:

- Provide creative input into the running of the business and provide objective feedback and advice to other Board members
- Play an active part in the determination of and implementation of the company's strategic objectives and business direction
- Effectively challenge the performance of LPW, including but not limited to; finance, financial controls, colleague engagement, contract performance, income generation, regulatory compliance, risk management and health & safety
- Support and challenge on equality of opportunity in all areas of responsibility
- When required act as a representative for the business for internal and external meetings and presentations
- Along with other Board members, ensure that the Company accounts properly present a true and fair reflection of LPW actions and financial performance and that the necessary internal control systems are put into place and monitored regularly and rigorously
- Contribute to the delivery of continuous improvement, under the Company's QA arrangements, management information, IT and training provision.

If you would like to find out more about this opportunity please do get in touch to arrange for a discussion with the chief executive at LPW.
