

Board Member Vacancies

If you have a passion to tackle youth homelessness
and see the next generation thrive,
we would love to hear from you!

We are committed to creating a more diverse Board that represents the young people we serve and particularly welcome applicants from groups where representation is lower, this currently would include Black, Asian, Muslim, LGBTQ+ and disabled applicants.

Please find full details of how to apply [here](#). The deadline for application submissions is 23:59, 31 March 2022.

Board Member Opportunities (Voluntary) – Asset Management

Having properties as a large part of our delivery, we are keen to maintain a good level of property management experience in our Board. An integral part of our strategy is to provide the best accommodation we can, refurbishing what we have and acquiring more.

Board Member Opportunities (Voluntary) – Project and Organisational Budgeting

We are looking for someone with experience of Project and Organisational Budgeting to support the Treasurer and Board. You will help advise on setting our Financial Strategy for the years ahead and provide a critical eye on our processes.

About the Role

As a Board Member, you will use your skills, knowledge and experience to work collaboratively with the organisation's executive team to achieve the highest standards of operational performance throughout 1625ip. Your robust and thorough approach will help 1625ip have maximum impact and build resilience.

You will be supported on your Board Member journey by a full induction programme and the opportunity to have a Board Buddy to help settle into your new role.

There are 6 Board meetings a year, potentially 2-4 additional committee meetings a year, an away day and several events with young people who use our services. The events are optional but are very informative and fun.

1625ip has been working with young people in the South West for over 35 years. We are award winning experts in providing services for young homeless people, care leavers and young people who offend.

In 2022 we are:

- Investing in the wellbeing of our colleagues and volunteers recognising the vital role that they play in young people's lives making sure we support
- Improving our properties and maximising the support we can provide young people
- Developing a strategy to improve young people's space, community use and working environment, the main option being the refurbishment at our Head Office which is a 2* listed building
- Increasing the way, we can work in a more agile and digital way but preserving very important relationship work with young people
- Increasing our property ownership to be able to provide a safe base for young people into the future
